VINTAGE NOTES - 2025:

The 2025 Colorado vintage was driven by an early, warm growing season that allowed fruit to ripen beautifully and evenly across the Grand Valley. The reds are deeply concentrated and stunningly expressive, showing rich color, layered dark fruit, supple tannins, and a confident structure that promises both immediate pleasure and aging potential. The whites are equally compelling—vibrant and aromatic, with generous fruit, bright natural acidity, and a polished texture that keeps them fresh and energetic. Altogether, 2025 is a standout vintage defined by intensity and balance. We are very excited about the 2023 vintage! Following a cooler than average spring that resulted in late bud break, weather conditions in the Grand Valley were warmer than average, including the third warmest July on record. Grape maturity made up ground quickly due to those warming temperatures during mid-summer which resulted in harvest dates that were closer to average, despite a lower crop load. Grape quality was reminiscent of 2019, yielding excellent fruit quality showcasing complex flavors, bright acidity, and beautiful aromatics.
